SHARE THE LOVE...SPONSOR A CHILD

MARCH 2023 NEWSLETTER

KATAKWI CHURCH ROOF REPAIR

In our February newsletter, we shared about this project. Here is an update...

This photo shows the church building following the wind storm.

This photo shows the church in its rebuilding stage.

The community uses this building for meetings, gatherings, and for children coming for choir. There are plans for a tailoring center to use the building as well, to train young people who are jobless. The cost of the roof with timbers would be \$5,000 and it would be a metal roof (iron sheets). The local builders would be the ones contracted to build it and gives them a livelihood and a way to support their families. This project would give hope and excitement to the area. Seeing a church develop creates a picture of permanence and vision. The tailoring school would have a permanent place for the young adults of the area to come to be trained and be sheltered. This would increase the potential of the neighbourhood, where through love in action, development, understanding and cooperation exhibits the love of Christ.

If you would like to donate to this project, see our [Donations Page](#) on our website. It is listed as Project #223 - Roof Repair Fund: Disaster Relief.

PROJECTS WE ARE CURRENTLY PROMOTING...

Child Sponsorship Supplement Fund - Project #120. In July 2022 some funds were sent for desks but more are always needed. Providing funds for desks is not a usual sponsorship expense, but a necessary one. The cost of a school desk is \$25.00 each.

Relief Project - #221 - The Water Tank project is a relief project providing a basic necessity and is related to providing a healthy environment for the people. Cost of the water tank project is \$2700.00.

PLEASE NOTE: Any income over and above needed for these 2 projects will be put towards another priority project as chosen by Furaha Africa Relief Association.

UPCOMING REVIEW MISSION TRIP—March 28 to April 5, 2023

Please remember the five team members: Ken & Julie Wiebe, Kathy Smith, Julie Brundage and Ashleigh Adams in prayer as they assist Tim and Colleen Stevenson in ministries related to the Furaha Africa Relief child sponsorship program. They will be visiting with many of the children and getting updated reports, pictures and review the business operations of FARA in Uganda. They will also be involved in visiting some of the churches, participating in a conference and viewing some of the projects FARA supports. We invite your prayers for protection in travels and the carrying out of the various ministries and sponsorship program review, etc. that will be happening during this mission trip. Thank you. Donations for this trip can be made to project #310

To support any of these projects or the Uganda Review Trip see the Donations page on Furaha Africa Relief Association website. <https://fararelief.com/donate>
