NEW ONLINE DONATIONS EMAIL

To accommodate a more secure online giving method,
please note that all online donations through our website and e-transfers
should be sent to this new address: donations@fararelief.com

Vocational Training Project

FARA supports youth and adults taking vocational training courses to gain a skill that can be used to earn a living. Popular courses are in shoe making, sewing, catering and hairdressing. Typical course is 2 years with 3 semesters a year. The cost for the 2 year course is $900. To support this project, mention Project #140 Vocational School Support.

NEW PROJECT FOR 2026

Jjajja House

Here are two samples of a Jjajja home for a Gramma that is raising some kids. They will cost $14,000 CDN each and includes a bedroom, sitting room, store, and an outdoor toilet. They are also given a bed, mattress, sheets, pillow, mosquito net and a small solar light kit to light the house. If you are interested in making a donation to this project, see our website at www.donations@fararelief.com

Furaha Africa Relief Association

MISSION TRIP 2027

Every few years Furaha Africa Relief Association organizes a trip to Uganda. The next one is planned for early Spring 2027. Among other things, it gives participants an opportunity to see God at work in a developing country, experience African culture and participate in some missions activities with other Canadians.

If you are interested in possibly joining the 2027 team and would like more information send a request to fararelief@gmail.com.
